BT = At Teft Comm. Mtg we entered into conversation about Waynick Enterprises. A compromise might happen.

Troy Powell said there might have been 2 or 3 trailers on property before Sena + BT scheduled for mtg.

Compromise:

B.P. recalled the original request. Trailers were house trailers. We were assured there would be no increased impact.

M.B.: Troy presented good case; are there tapes missing?

~~BP: Does Council~~ Originally asked for non-conforming use.

①

Extension of non-conforming use can't  
have evidence.

Misc. about courtroom politics + about  
concept of appr.

B.T. What is point of settlement,<sup>2</sup>  
2 or 3 Trailers @ most according  
to Troy Powell.

B.T. Dead storage is in play in this.

Their agreement will be that the use was  
for the bldg. not ~~tract~~ entire tract.

B.T. Are you comfortable w/ 2 or 3 trailers +

permission later.
