Details, Rules, & Regulations

Food Vendors

Food vendors are subject to NC Health Department Rules, which may require a permit. Applicants/operators must contact Guilford County Environmental Health directly (336-641-3771) to determine individual requirements, and vendors might be inspected. A centrally-located water source and portable restrooms will be provided. Food vendors are allowed the use of their own generators (subject to sound output approval). Space is limited and the Founders' Day organizers reserve the right to limit the number and type of food vendors.

Business/Non-profit Vendors

A vendor may rent one or more 10'x10' area(s) and must provide a 10'x10' canopy/tent to define each designated spot, as well as any tables, chairs, or other equipment, materials, or signage. Vendors are expected to follow the size requirement as the town relies on provided information to ensure the best possible visibility for attendees. Spaces are limited for each vendor category. **Electrical hook-ups and generators are not allowed.** Non-food vendors that intend to give away water or food (such as popcorn, etc.) must request prior approval. **Most vendors will be on a hard surface and will need weights at tent corners (no stakes) for safety purposes.**

Set-up, Break-down, and Parking

Vendor set-up will only be available Friday, May 15, from 10:00am until 3:00pm, and on Saturday, May 16, from 7:00am until 8:30am. Vendors must check in with the INFO tent upon arrival. **Roads will be closed and no vehicles are allowed in the event area after 3:00 pm on Friday or between 8:30am and 4:00 pm on Saturday.** It is important that event attendees perceive an active vendor presence on Saturday from 10:00am until 4:00pm, and deposits will not be returned for vendors who leave early. Empty spaces tend to turn away business for everyone!

Vendor parking will be provided (more information to follow). Vendor booths must open by 10:00am and close no earlier than 4:00pm on Saturday. Friday hours are optional for business/non-profit vendors, but required for food vendors. All booth spaces must be left clean and litter free. A deputy will be on hand overnight for security.

Payment of Fees

Payment must be made by check, payable to the Town of Summerfield. Applications must be accompanied by the check for the entry fee and applicable deposit. Applications will not be accepted and refunds will not be made after the applicable date. If space is available after the application date, vendors will be considered, but a \$10 late fee will be charged for fees received after this date.

Inspections

The Guilford County Fire Marshal and Health Department will be conducting inspections of the site.
