NOTICE OF PUBLIC HEARING and ROAD NAME SUGGESTION

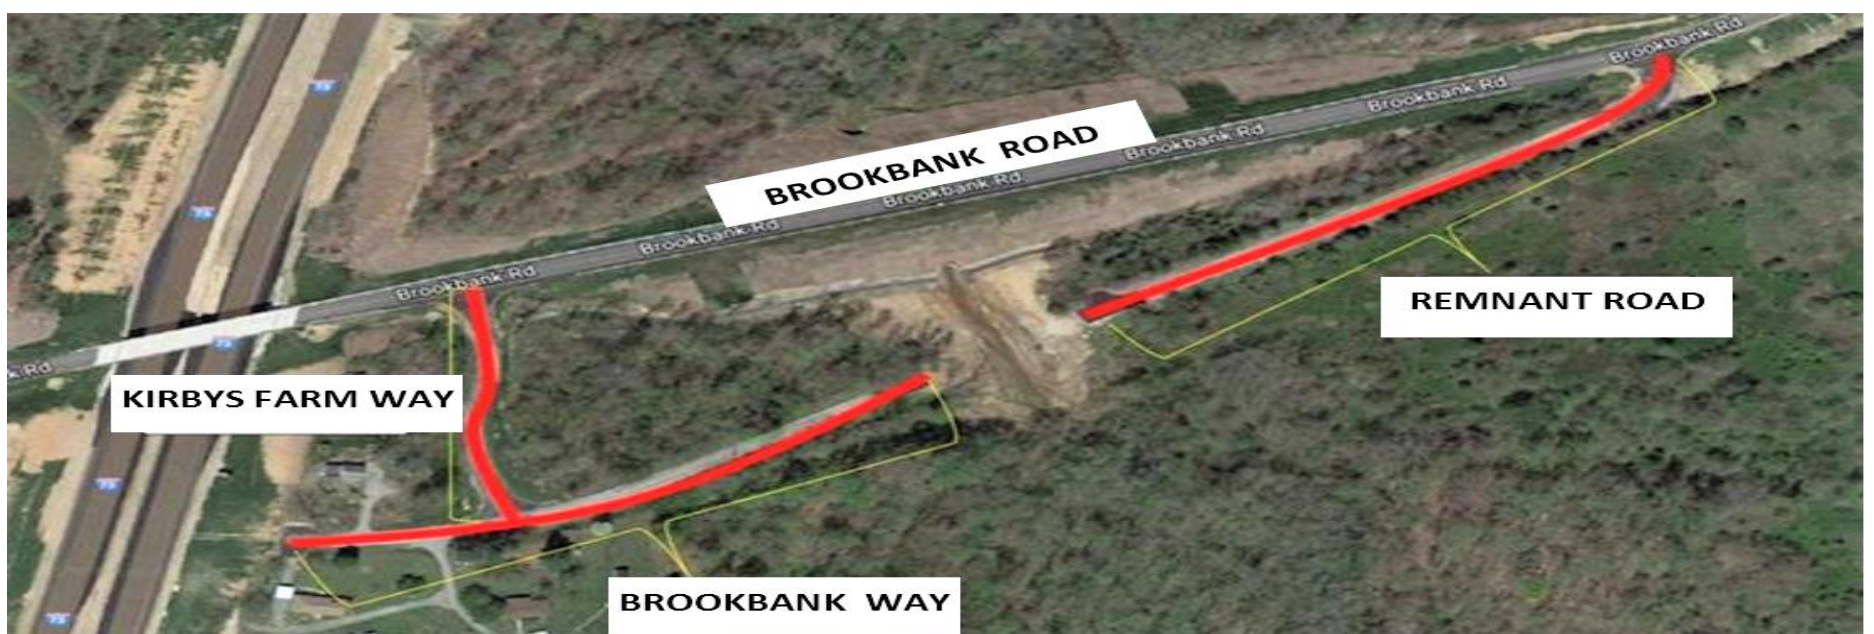

TOWN COUNCIL PUBLIC HEARING: Tuesday, November 14, 2017 TIME: 6:30 PM
Summerfield Community Center (5404 Centerfield Road)

The Town of Summerfield is petitioning NCDOT to rename portions of (former) Brookbank Road to Kirbys Farm Way, Brookbank Way, and Remnant Road. The section of former Brookbank and the 3 new roads are shown in red below.

NCDOT Project R2413 rerouted Brookbank Road, leaving 3 un-named sections for access to several properties. The roads require names to ensure emergency response, allow for mail delivery, provide directional information, and for identification from the ground. An un-named road poses a potential threat to public health and safety.

The Summerfield Town Council will hold a public hearing for this request at their November 14 meeting. You must appear in person if you have any objections to the use of the proposed road names.

You are receiving this notice because public records indicate that you own property along the section of roadway that would be re-named. The Town relies on Guilford County tax records for addresses. Please share this information with anyone you feel may be interested in attending.
