Re: VOTE NO to House Bill 5 & VOTE NO to De-annexation

I am writing you today in opposition of House Bill 5. I am asking you to VOTE NO to any “quick call votes” or middle of the night votes” on de-annexation. As a voting citizen I expect you to represent the people and not allow one Senator, Phil Berger and developer to de-annex. I ask you to read everything and do NOT let de-annexation slip through the night, ripping the heart out of Summerfield.

STOP HB5 which de-annexes 973+ acres out of the heart of Summerfield.

STOP HB5 which takes local authority away from Summerfield.

STOP HB5 which would set a precedent unfair to all municipalities across North Carolina.

STOP HB5 & DE-ANNEXTION, save Summerfield, my town _____ and all small towns across North Carolina.
